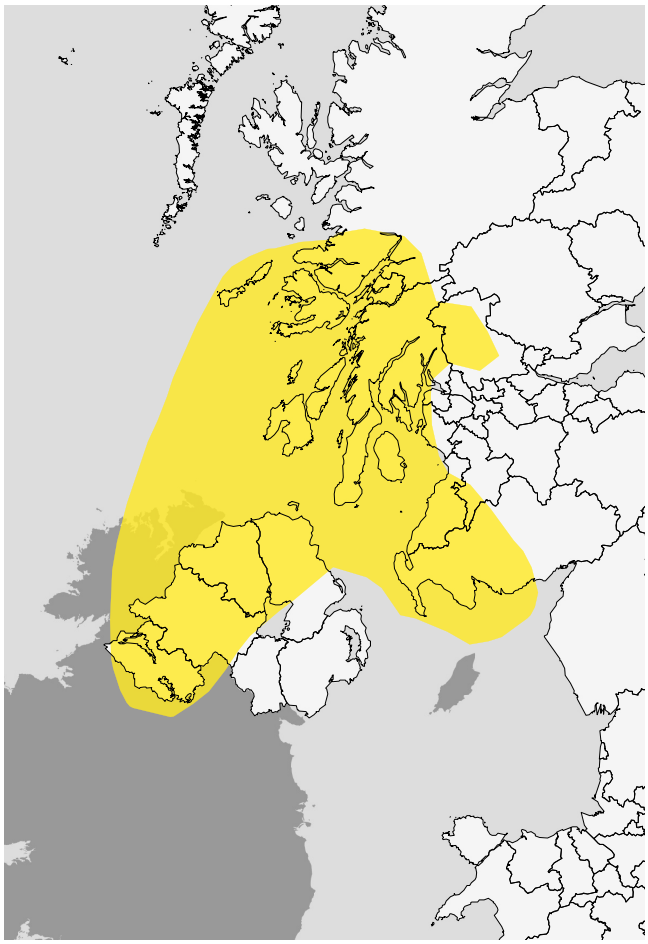
Between
13:00 Mon 4 Jun 2018 and
20:00 Mon 4 Jun 2018



Thunderstorms may develop across parts of western Scotland and Northern Ireland on Monday

What to expect

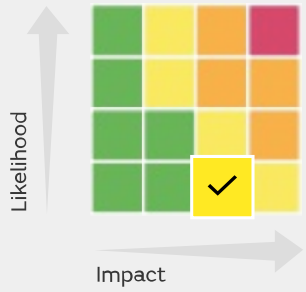
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost

Further details

Through Monday afternoon some heavy showers and thunderstorms may develop across parts of western Scotland and Northern Ireland.

Whilst many places will see a generally dry day there is the potential for 20-30 mm in an hour in very isolated spots with perhaps up to 70 mm in 3 hours.

The thunderstorms will then die out during Monday evening.



Very low likelihood of medium impacts
